Allocation Process

1. Scholarships are allocated using a phased rolling window model:
 - 3-6 awards released September–December
 - 4-8 awards released January–March
 - 3-6 awards released April–June
 - Any unallocated awards may roll forward to the next phase.
2. Applications are assessed using a formal scoring matrix which considers:
 - Playing standard
 - Impact on squad
 - Impact of scholarship
3. Decisions are made jointly by the Head of the relevant Sports Academy and the Director of Elite Sport. For Rugby scholarships, decisions will also involve the Head of Performance Rugby and the Head of Rugby Operations. All decisions are final and there is no right of appeal.

Scholarship Value and Payment

1. Scholarships are awarded as a £4000 tuition fee discount and a £1000 bursary.
2. To secure the award, you must:
 - Accept your academic offer.
 - Pay your tuition fee deposit.
3. The scholarship will be deducted from the remaining balance of tuition fees due and applied to the second tuition fee instalment. A revised invoice will be issued following confirmation of award. The £1,000 sports development bursary will be paid directly to you after you have arrived on campus and completed enrolment.

4. The tuition fee discount cannot be used in place of the required tuition fee deposit.

Duration and Continuation of Award

1. International Sports Scholarships are awarded for each year of study for the standard duration of the programme, subject to annual review.
2. Continuation of the scholarship beyond the first year is conditional upon:
 - Satisfactory academic progression (passing required modules)

3. The University reserves the right to review, suspend or withdraw a scholarship at any time where a student:
 - Fails to achieve the required academic progression.
 - Demonstrates poor academic engagement.

4. Where a scholarship is withdrawn during a subsequent year of study, the student will be liable for the full international tuition fee applicable for that academic year.

Deferral and Withdrawal

1. If you defer your entry, the scholarship cannot be carried forward. The award will be withdrawn, and you may be eligible to reapply in the following academic year.
2. If you withdraw during your studies:
 - Your scholarship will be cancelled.
 - You will be required to pay the international tuition fee applicable for the period studied, in line with the University's Tuition Fee Policy.

Multiple Awards and Sponsorship

1. Students may receive only one Hartpury scholarship. If eligible for multiple awards, the highest value scholarship will be applied.
2. You are not eligible if you receive external sponsorship covering tuition fees, or tuition fees and living costs, where the University invoices a third party directly (e.g. government, charity or private organisation).

General

1. Scholarships are awarded at the University's discretion.

3. All decisions regarding scholarship awards are final.
