

**The Martin Baber Award** is available to support Hartpury students who wish to study or work abroad within the Agricultural sector. The application for this award should include evidence of current or previous academic achievement or practical experience. The application must also include a plan highlighting how the student's time will be spent abroad and how this links across to future career aspirations (maximum 1,000 words). Within the application students should outline how money will be spent to justify the award. Following the period of work experience or study, students will be required to deliver a presentation outlining the highlights of the experience and how these link to future career progression to an audience at the Farmers Club and/or at Hartpury. Funds are exhaustive and therefore are available on a first come first serve basis.

#### **Martin Baber Award T&Cs**

1.1 Awards are available to Hartpury students enrolled on any of Hartpury's programmes of study who wish to engage in an Agricultural based activity abroad.

1.2 The maximum amount of an award available to a student is £1,500, and the student will be responsible for paying any balance of costs due to fund the experience.

1.3 An application form for the Martin Baber Award is available from the Student Finance Office and must be submitted to the Student Finance Office at least three months before the experience is due to start.

1.4 The application will usually be for an experience that is due to happen during the academic year within which the student is studying in at the point of application, with the exception of where funds are proposed for use during a sandwich year.

1.5 The application will be reviewed by a panel of senior Hartpury staff, applicants will be notified within two weeks of the application submission date.

1.6 Applicants must clearly highlight how the experience will add value to their future career aspirations and are encouraged to contact a member of the Agriculture Academic staff to discuss the application prior to completing the form.

1.7 Applicants must consent to members of the panel consulting with members of academic staff as part of the award decision-making process.

1.8 Normally the student will not receive more than one of these payments over the duration of the programme of study.

1.9 Students will be supported by Agriculture staff to develop the post-experience presentation. The Farmers Club and/or Agriculture staff will be responsible for organising when and where the presentation will be delivered.

1.10 Students must have been resident in the UK for the last 3 years prior to the start of the course.
