

16-19 Tuition Fund Statement

Hartpury College have utilised the ESFA Funds made available through the 16-19 Tuition Fund to recruit three new 'progress coach' staff and increase the hours of three existing staff to support students with their progress in maths and English in addition to support for other aspects of their Study Programme.

Students have been selected based on their prior non-achievement of a 4 or 5 grade in Maths/English who are studying a full time Level 2 or Level 3 vocational Study Programme at Hartpury College.

They will be taught in group sizes of between one and three students and in total circa 20 Level 2 students have been identified for support with Maths and English and circa 70 students have been identified for support with their wider Study Programme.
