	22-Aug	Holiday	Holiday	Holiday

BTEC Level 3 Students Only (this does not apply to Level 2 BTECs, A Level or Access to HE students).

During BTEC mock exam and formal exam periods when classrooms / sports halls are required for exams, there will be times when the face to face timetable will revert to an online timetable and students will be expected to access their normal lessons via Microsoft Teams. We will keep these days to a minimum but want to ensure we continue to deliver our timetable rather suspending it for the exam periods. Provisionally for the mock exam period the online dates are 10th, 11th, 12th, 15th, 16th, 17th (17th for am only) November 2021. The accommodation WIFI will support our residential students accessing their lessons around their exams in their bedrooms. Students will be notified of the timing of their mock exam nearer the time.

Please note practical duties for Agriculture, Equine and Animal students will still continue during all mock exam and exam periods. Equine riding practical's and Sports Academy Training will continue too around exams.

Once we have the BTEC exam dates for January and the summer confirmed, we will provide further details.
