

Hartpury Sports Academy Membership Fees 2026/27*

Sports Academy membership is split into two performance-based tiers, giving access to the right level of support and services for athlete's sport and performance goals.

- All Sports Academy athletes pay £350 upfront at the start of the academic year.
- Once squad selections are confirmed, athletes are assigned to a tier as determined by Sport Academy Managers and charged any remaining fee balance due in November.
 - For athletes in Tier 1, a second instalment of £150 will be requested.
 - For athletes in Tier 2, no further fees are required.

**These fees are subject to change.*

Additional fees could apply for certain sports, e.g. Golf and Rowing, due to higher programme costs. Please note activities delivered through Hartpury Active in partnership with the student union, are outside of this membership structure.

What's included?

Each tier gives access to a tailored package of support, from coaching and performance analysis to facilities and specialist services. More details on what's included in each tier is available [here](#).

***Please be reminded that Sports Academy membership does not guarantee selection.*

Refund Policy

Sports Academy Fees are **non-refundable**. Hartpury's refund policies can be found here:

[Refunds Policy - University](#) | [Refunds Policy - College](#)

Cooling Off Period

If academy membership is cancelled prior to **5th October 2026**, a refund of any fees paid upfront may be granted.

Withdrawals

Where a student withdraws, or is required to withdraw, from their academic programme/course part way through the academic year, a refund request may be submitted via the Sports Academy Manager.

Refund requests are reviewed by the Director of Elite Sport and decisions communicated thereafter.

Students choosing to withdraw from a Sports Academy but continuing with their academic studies at Hartpury would not be considered for a refund, unless exceptional circumstances apply.

Athletes recovering from injury would be eligible to access support via Hartpury's Medical Centre/Injury Clinic and therefore not considered for a refund.
