

HARTPURY SPORTS THERAPIST / PHYSIOTHERAPIST

POSTGRADUATE STUDENTSHIP

Hartpury Sports Academy are looking for an enthusiastic and committed individual to join and provide medical care to their British Universities & Colleges Sport (BUCS) teams for the upcoming 2026-27 season.

The Postgraduate Studentship offers a part-funded place on one of Hartpury University's postgraduate degrees

STUDENTSHIP RESPONSIBILITIES

- Assisting with Hartpury Sports Academy Medical Team in your area of expertise / specialism.
- Attend and drive standards in training, strength & conditioning sessions, fixtures and consult with senior management to ensure best practice and objectives are met.
- Contribute to the Sports Academy experience building relationships with both staff and students to develop and improve yourself and the programme.
- Promote and represent Hartpury University and Hartpury Sport in a professional manner.
- Maximise your opportunity with the programme to develop yourself and reach your potential.
- Completing your postgraduate research project alongside our university strategic direction with the aim of actively contributing to our evolving postgraduate research and knowledge exchange community and impacting our applied Sports Academy provision.

PERSON SPECIFICATION

- Preferably a 2.1 undergraduate degree in Sports Therapy or related field with relevant governing body memberships and insurance (SST / CSP / BASRaT).
- Valid First Aid in Sport qualification or Higher (PHICIS / ITMMiF).
- The successful candidate must be capable of providing a high-quality clinical service to designated athlete groups.
- Experience in immediate first aid and pitch-side care.
- Excellent interpersonal and communication skills and ability to deliver a variety of face to face sessions.

BENEFITS

- Partial funded tuition on one of our postgraduate degrees (i.e., MSc Sports Coaching, MSc Strength & Conditioning, MSc Applied Performance Analysis in Sport, MSc Sports Management, MRes Sport & Exercise Science, MSc Sports Therapy, MSc Sport Nutrition).
- Access to qualified medical professionals and world-leading sports science facilities including the Hartpury Sports Academy Injury Clinic.
- Opportunity to network with professional and semi-professional clubs, players and coaches both nationally and internationally.
- Access to professional facilities, resources and CPD through internal / external workshops and presentations
