

# HARTPURY SPORTS THERAPIST / PHYSIOTHERAPIST

## POSTGRADUATE STUDENTSHIP

*Hartpury Football Club are looking for an enthusiastic and committed individual to join and provide medical care for their semi-professional (Hartpury FC) and British Universities & Colleges Sport (BUCS) team for the upcoming 2026-27 season.*

*The Postgraduate Studentship offers a part-funded place on one of Hartpury University's postgraduate degrees*

## STUDENTSHIP RESPONSIBILITIES

- Assisting with Hartpury University Men's football programme in your area of expertise / specialism.
- Attend and drive standards in training, strength & conditioning sessions, performance analysis and fixtures for both semi-professional (which includes league, FA Cup and FA Trophy) and BUCS commitments.
- Contribute to the football academy experience building relationships with both staff and students to develop and improve yourself and the programme.
- Promote and represent Hartpury University and Hartpury Football in a professional manner.
- Maximise your opportunity with the programme to develop yourself and reach your potential.
- Completing your postgraduate research project alongside our university strategic direction with the aim of actively contributing to our evolving postgraduate research and knowledge exchange community and impacting our applied Sports Academy provision.

## PERSON SPECIFICATION

- Preferably a 2.2 undergraduate degree in Sports Therapy or related field with relevant governing body memberships and insurance (SST / CSP / BASRaT).
- Valid First Aid in Sport qualification or Higher (PHICIS / ITMMiF).
- The successful candidate must be capable of providing a high-quality clinical service to designated athlete groups.
- Experience in immediate first aid and pitch-side care.
- Excellent interpersonal and communication skills and ability to deliver a variety of face to face sessions.

## BENEFITS

- Partial funded tuition on one of our postgraduate degrees (i.e., MSc Sports Coaching, MSc Strength & Conditioning, MSc Applied Performance Analysis in Sport, MSc Sports Management, MRes Sport & Exercise Science, MSc Sports Therapy, MSc Sport Nutrition).
- Access to qualified medical professionals and world-leading sports science facilities including the Hartpury Sports Academy Injury Clinic.
- Opportunity to network with professional and semi-professional clubs, players and coaches both nationally and internationally.
- Access to professional facilities, resources and CPD through internal / external workshops and presentations.
