

# Your home from home

We offer the very best of country living and city life. Choose between accommodation on our beautiful rural campus or modern student accommodation in vibrant Gloucester city.

**HARTPURY**  
UNIVERSITY

## Gloucester accommodation

Hop on our free minibus to explore Hartpury Gloucester accommodation (Blackfriars). It's perfect for city-lovers. Enjoy the luxury of an en-suite room, cosy queen-size bed, and spacious communal areas, all just a short walk from Gloucester Quays – it's a student favourite for outlet shopping, eating out, and nightlife. Great bus links mean you'll be on campus in just 15 minutes, ready for a day of lectures, learning and socialising.

If you want to be close to your lectures, world-class facilities, and social spaces, surrounded by countryside, you'll love our Hartpury campus halls. Just 15-minutes by bus from Gloucester city and the Quays – your go-to place for shopping days and great nights out – it's the perfect balance of rural and urban living.

## Campus halls

Hartpury accommodation is **guaranteed in your first year\***

Applications are now open  
[www.hartpury.ac.uk/uni-accommodation](http://www.hartpury.ac.uk/uni-accommodation)

\*Students living within a 15-mile radius of Hartpury are expected to commute and applications will only be considered from these students if vacancies occur after rooms have been allocated to all applicants living outside this radius.

# Your Equine Applicant Event

## **11am | Registration University Study Lounge**

Let us know you're here, grab some refreshments and pick up your event pack.

## **11.30am | Welcome talk MDC5**

Meet your Head of Department, Catherine Porter, as she welcomes you to Hartpury and explains why we're the perfect place to study your passion for equine.

## **BA Equine Business Management: Myths versus reality**

Understand how this course will help you to excel in the commercial equine world and how to develop your skill sets to redesign industry practice. During this session, you'll delve behind the scenes of effective equine business strategies. Current students will run a no-holds-barred session, revealing the myths versus reality of equine business.

## **BSc Equestrian Sports Science: Are you fit to ride?**

Analyse rider posture in our Margaret Giffin Centre for Rider Performance. You'll assess how strength and fitness could improve rider and horse performance, as well as how a rider's position might be critical to preventing injury.

## **BSc Equestrian Sports Coaching: Coaching the coach**

You'll experience the complexities of a coaching session along with current students and coaches. You'll start to understand proven theories underpinning great coaching, and how to make a difference to rider performance and development.

## **BSc Equine Performance and Rehabilitation: In 'knee deep'**

Rapid growth in the field of equine performance and rehabilitation means that we can use many technologies to rehabilitate injuries and enable athletes to return to peak performance. Join us in our Equine Therapy Centre as we delve 'knee deep' to assess one of our patients on our water treadmill and consider rehabilitation techniques.

## **BSc Equine Science and MSci Equine Science: Under the skin**

The horse is an impressive athlete that can withstand the force of half a tonne travelling at 40mph! Today you have the chance to 'get under their skin' and start to understand how these mammals can withstand extraordinary force. You'll examine one of their most unique features, the equine distal limb (leg), and learn how internal structures create 'elastic' energy that generates incredible power.

## **BSc Racehorse Performance and Rehabilitation: Racing on tour**

Horseracing is the most highly regulated equestrian sport and leads the way in equine veterinary science. There's a wealth of scientific knowledge about the Thoroughbred, with an emphasis on injury prevention and rehabilitation. Delve into the science of racehorse performance management, as well as the horseracing world.

## **BSc Equine Dental Science: Straight from the horse's mouth**

Take part in an interactive demonstration that enables you to explore the reality of what it takes to be an Equine Dental Technician. During which you'll also gain a greater understanding of the opportunities available from said rewarding career.

\*Subject to receiving an offer and meeting offer conditions.

## **BA International Horseracing Business: Racing on tour**

Horseracing is the second largest spectator sport in Great Britain. It's progressive, focussed on driving growth to remain competitive, and highly regulated to ensure the welfare of sporting participants (horse, jockeys and yard staff). During this session, you'll gain an understanding of the essential ingredients of success.

## **BSc Equine Behaviour and Welfare: Learning Principles in practise**

This insightful and interactive demonstration that will explore the principles of equine learning and cognition. You'll understand the importance of equine behaviour and welfare, and gain an understanding of your future role and influence within industry

## **FdSc Equine Performance: Performance in practise**

The horse has a remarkable ability to cope with the demands of exercise and competition. However, as with any athlete, the risk of injury is sometimes unavoidable. During this session you'll get hands on with our horses to begin to understand the science behind performance, examining the anatomy and confirmation of the horse. Explore whether success can be predicted based on these kind of assessments.

## **2pm onwards | Meet our students, support and teaching staff**

After your interactive session, you'll come back to the University Study Lounge for refreshments. This is your chance to have 1-2-1 conversations with our lecturers, current students and dedicated support staff – including finance, support, accommodation, admissions, livery, Sports Academy, and the Students' Union. They're here to answer your questions and help you feel prepared and excited to join us in September.\*

## **2pm onwards | Accommodation tour**

If you haven't explored campus yet, this is your opportunity to do so. One of our students will take you on a general campus tour, exploring many of our facilities including our Hartpury campus halls accommodation

If you're interested in living in our Hartpury Gloucester accommodation (Blackfriars), jump on our free minibus and head into Gloucester city for a tour of our student village. You'll be able to see inside student rooms and communal areas.

## **2.30pm / 3.30pm | Student life talks MDC5**

There's plenty to keep you busy at Hartpury University and in Gloucestershire. Hear from current students about their experience of life outside lectures. During these repeat sessions, we'll outline our range of clubs and societies, as well as give you the low-down on the surrounding area and settling into university. Make sure you have your questions ready!

## **What to bring**

You'll be taking part in an interactive session, so we advise you wear comfy clothes and sensible footwear.
