

HARTPURY

STRENGTH & CONDITIONING POSTGRADUATE STUDENTSHIP

The Hartpury Academy Strength & Conditioning Department is looking for an enthusiastic and committed individual to help lead the delivery of strength and conditioning services to one of our Academies.

The Postgraduate Studentship offers a part-funded place (£3000) on our MRes in Sport & Exercise Science or MSc in Strength and Conditioning.

The ideal candidate for this role will be someone who appreciates and understands the importance of embedding research into practice within the areas of strength and conditioning.

STUDENTSHIP RESPONSIBILITIES

- Assisting the Hartpury University & College Strength & Conditioning department with the delivery of provision to individual and / or teams.
- Lead or assist the daily running of the S&C sessions and assist with the long-term planning of physical development of Hartpury athletes.
- Consult with senior management on a weekly basis to ensure best practice and objectives are met.
- We require 12 hours a week commitment distributed between gym, field training, matches, meetings and administrative duties. These hours will be embedded into your workload from the taught modules that you will undertake. The exact session timings will be dictated by which team / Academy you will be working with.
- Completing your postgraduate research alongside our university strategic direction with the aim of actively contributing to our evolving postgraduate research and knowledge exchange community and impacting our applied Sports Academy provision.

PERSON SPECIFICATION

- Preferably a 2.1 undergraduate degree in sports science or related field (although this is open to discussion based on experience).
- Experience in delivering strength and conditioning provision in a team setting.
- Excellent interpersonal and communication skills and ability to deliver a variety of face to face sessions.

BENEFITS

- Partial funded tuition on our Masters in Research Sport Science or MSc S&C.
- Involved with one of the most successful educational and sporting programmes in the UK.
- Access to world-class sports science facilities to aid in your development as a coach.
- Gym membership for the Sports Academy and coaching kit/resources.
- Regular mentoring, observations and feedback from our experienced S&C conditioning coaches.
- CPD through internal/external workshops and presentations.
